Celebrate 4th**

Many features are being planned including the dedication of an Honor Roll to the men and women in the nation's armed services from Franklin and Jackson townships. This Honor Roll will probably be placed on the lawn of the Roachdale library. The celebration will last four days, July 1, 2, 3, 4.

An annual affair for a number of years, but discontinued since 1941, the Roachdale July 4th celebration has always attracted huge crowds and this year should prove no exception. Present plans indicate that the observance will terminate with a beautiful display of fireworks.

**SOVIETS CAPTURE
SEVASTOPOL; FIND
MANY NAZI DEAD**
VAST BOOTY ALSO FOUND BY
REDS IN TAKING BLACK
SEA BASE
MOSCOW, May 10.—(UP)—Soviet armies counted tens of thousands of German and Rumanian dead and vast booty in the rubble of Sevastopol today after capturing the Crimean naval base in a powerful three-day assault that wiped out the last enemy stronghold in pre-war southern Russia.

The fall of Sevastopol last night to armies personally commanded by Marshal Alexander M. Vasilievsky, chief of the Soviet general staff, gave the Russian fleet a major base only 240 miles from the Rumanian coast and released large forces for new Red Army offensives being prepared far to the west.

Front dispatches said the greatest artillery barrage in history broke enemy resistance at Sevastopol and enabled the Soviets to smash into the Black Sea port from three sides.

(The official German DNB agency confirmed the fall of Sevastopol today in a dispatch that said the city had been "evacuated." DNB said Sevastopol had been turned into a "single heap of ruins by artillery fire never experienced before on such a scale, and incessant air bombing.")

Literally thousands of heavy guns were hauled up to the front for the final assault and at zero hour Sunday loosed a thunderous barrage on the three concrete and steel defense hills built by the Germans in the hills surrounding the naval base.

Soviet infantry waiting for the signal to advance saw huge blocks of granite hurled into the air by the impact of thousands of tons of shells. When they reached the fortified heights, they found masses of twisted German guns, snarled steel girders and wooden beams, and torn bodies of German and Rumanian soldiers.

TIGER BASEBALL TEAM TO PLAY STOUT FIELD HERE

DePauw University's baseball team will meet Stout Field here Thursday afternoon at 4 o'clock on Blackstock Field.

DePauw's Tigers have split even in four games this season, dropping two games to Bunker Hill naval air station while downing Miami University and Camp Atterbury.

Likely starting pitcher will be John Britton, Morrisonville, Ill., member of the University of Illinois mound staff last year, who has won one and lost one thus far this season.

TERRE HAUTE MAN NOTIFIED CAR IS IN LAKE MICHIGAN

CHICAGO, May 10.—(UP)—Chicago police notified A. J. Carbon, Terre Haute today that his automobile, missing since last Fall, is in Lake Michigan off Twenty-third Street.

Eugene Jeras, 20 years old, a three-time deserter from the army, confessed to Eastern military authorities that he stole Carbon's automobile from a Terre Haute garage

where he worked, drove it to Chicago and dumped it into the lake last December.

Police said they have located the automobile, but have so far been unable to tow it to shore.

SISTERS REUNITED

HOLLYWOOD, May 10.—(UP)—Faye Emerson, Warner Bros. starlet, and her half-sister, Virginia, were reunited today after a separation of 14 years.

"The meeting gives me more of a thrill than anything that has happened to me out here," the 26-year-old actress said when she greeted her sister at union station.

Virginia, who had been living with her aunt and uncle in Grand Rapids, Mich., saw Faye's picture in a fan magazine several months ago and arranged the meeting after an exchange of correspondence.

"I don't want to be an actress," Virginia told reporters.

Among those from Greencastle who attended the Kentucky derby last Saturday were Mr. and Mrs. Kent A. Lenzen.

Captain William Rinker, formerly of Greencastle and now with the Merchant Marine, has written Rex Thorlton from the Admiralty Islands in the Pacific. Some interesting excerpts from this letter follows:

"Things are moving fast and men are waging on arrival dates for the Philippines. The waging isn't idle talk. Men who have helped push the Japs this far, know them for what they are (plenty tough.)"

"As for me, I wouldn't trade one of the most worthless acres in Indiana for all the islands in the Pacific. That is, if I had to live on them. I am sure that a lot of boys will have a greater appreciation of the U. S. A. when they return. I hope their political interests and abilities will exceed that of their fathers."

Anyone interested in writing Captain Rinker will be able to get his address from Rex Thorlton.

The Daily Banner is in receipt of the following letter from Wayne Priest, son of Mr. and Mrs. C. K. Priest of near Brick Chapel, who was home on furlough last fall from the Atlantic patrol service and the Mediterranean area, but now he writes from the South Pacific. He says:

February 3, 1944
On Duty
Just a few lines this evening to let you know that I'm getting along fine and I'm thinking of you folks back home.

I want to say that I enjoyed my visit with the ones of you I got to see while I was there in November.

I guess by this time you are having that good old Indiana winter weather and lots of snow.

I'm enjoying the hot weather of the South West Pacific as I'm somewhere in New Guinea.

I now have about the best sun tan I've ever had in my life.

I've been on the beach a few times with a recreation party and gotten a few coconuts, bananas, and pineapples and I enjoyed that very much.

I think that I've gained a little weight since I left the states this last time.

Well as there is not much else I have or can say so I'll close.

OBITUARY

Jennifer Sue, the only child of Charles Maynard and Josephine Warpenburg Hammond, was born February 7, 1942, at the Putnam County Hospital and suddenly passed away April 27, 1944, at the Clay County Hospital, at the tender age of two years, two months, and twenty days.

On Easter Sunday, 1943, Jennifer Sue was christened in the United Brethren church in Brazil, Indiana.

From birth little Jennifer Sue was afflicted with an unusual type of hernia; and although a seeming cure was effected, this condition became so grave just two hours before her passing that an emergency operation had to be performed. Although this operation was apparently successful, Jennifer Sue lived only a few minutes after its completion.

She leaves to mourn her departure from this earthly home her devoted parents; her loving grandparents, Homer and May Warpenburg and Iva Hammond; five great grandparents; six aunts; three uncles; one first cousin; and a host of other relatives and friends.

No child was ever sweeter than Jennifer Sue. She loved life and liked everyone. Her lovable disposition was evidenced by her cheerful smile and her pleasing personality. She was very intelligent. One of her friends was heard to remark, "Jennifer Sue could remember and call people by their names better than any little child I ever saw."

Her brief and beautiful joy-packed life might be likened to the short-lived but beautiful night-blooming cereus whose beauty is seen for only a very short while but which makes such a lasting impression that it is long remembered and discussed. Likewise, her rich and colorful life might be favorably compared to a biennial plant which produces roots and leaves the first year and then during the second year bursts forth with flowers, fruit, and seed before dying. Jennifer Sue lived but two brief years. Her life bore fine fruit, and she has planted the seed of this fruit so firmly in our hearts that its growth cannot but cause us to be nobler for having known her.

God gave us our baby to hold for a while.

'Midst the roar of life's traffic and din;

Then He took her away with a fatherly smile,

With a promise we'll see her again.

Now why should God place her in our loving care

For such a short cruise on life's sea?

No doubt she was spared from His Kingdom up there,

So we'd know how sweet Heaven will be.

Now God has grown homesick to see her once more;

He has called her again to His fold;

But she will be waiting on Heaven's bright shore,

Where our darling again we may hold.

CARD OF THANKS

We wish to thank all our friends, neighbors and relatives for their kindness shown us during our recent bereavement. We especially want to thank the singer, the Rev. Cooper Mr. Rector, the pall bearers and flower girls. And to those who sent the beautiful floral offerings.

Mr. and Mrs. Charles Hammond

Mrs. Frederick Riggs and baby were released from the county hospital Wednesday.

Mrs. Eunice Graves of Cloverdale is a patient in the Putnam county hospital.

OBITUARY

Elizabeth Vestal Jones, daughter of Samuel and Telitha Vestal, was born March 3, 1858, in Warren Township, Putnam County, Indiana, and departed this life May 3, 1944 at 8:10 A. M., age 86 years and two months. She grew to womanhood at her father's home in Warren Township and attended the grade schools in that district. She was the youngest of a family of seven children, all of whom have preceded her in death.

March 22, 1881 she was united in marriage to Havilah Jones, to this union five children were born, Bradford, Emma, Clara, Curtis, and Mae. Her husband and daughter Emma preceded her in death.

At the age of thirty she expressed her faith in God and united with the United Brethren Church of Old Salem. She was ever ready to help the church and attended services as long as her health would permit. Mother Jones was a kind and loving wife and Mother, ever mindful of the welfare of her family. Always striving to make everyone who came into her home comfortable and happy. She spent a life of honor and usefulness in this community.

She leaves to mourn her departure two sons, two daughters, two daughters-in-law three sons-in-law, 17 grandchildren, 12 great grand children and a host of other relatives and friends.

Although it is sad to give up our loved ones yet when the death Angel comes we are made to realize the mortality of all mankind and can only say, "Thy will be done." We loved her, yes we loved her. But the Angels loved her more, And they have sweetly called her, to yonder shining shore.

The Golden Gates were opened, A gentle voice said "come," And with farwells unspoken, She calmly entered Home.

CARD OF THANKS

We wish to express our sincere appreciation and thanks to our relatives, neighbors, and many friends for their acts of kindness and floral offerings during the illness and death of our dear Mother, Mrs. Elizabeth Jones. Also Rev. McClure, Mr. Reed, for their services and expressions of sympathy, and the ladies for the beautiful songs rendered.

Mother Jones' family.

GOOD JAP-AMERICAN WOMEN GO WRONG; ARE INDICTED

DENVER, May 10.—A treason indictment was returned today against three Japanese-American sisters accused of aiding in the escape of two German prisoners of war, the charges arising from investigation of snapshots showing the women and the fugitives in amorous embrace.

A federal grand jury named the women—each of who is married—as Tsuruko "Toots" Wallace, 35 years old; Florence Shizue Otani, 33, and Billie Shitara Tanigoshi, 32. They were residents of Inglewood, a Los Angeles suburb, prior to their removal to the Granada Relocation Center in southern Colorado. Mrs. Wallace and Mrs. Tanigoshi each have a small child.

The three were accused of providing an automobile, clothing, road maps and money for Afrika Korps Cpl. Heinrich Haider, 31, and Herman August Loescher, 31, who escaped the Trinidad prisoner of war camp last Oct. 17 and were recaptured two days later at Watrous, in northern New Mexico.

The indictments, containing two counts, charged treason and conspiracy to commit treason. The first count carries a maximum penalty of death and a minimum of five years' imprisonment.

BIG POPPY SALE PREDICTED

The biggest poppy sale in the history of the American Legion Auxiliary is predicted by Mrs. Charles Lemmink, president of the local Unit, who said yesterday she would not be surprised if more than double the usual number were sold.

As few people know what the arrangements are for making these Memorial Day flowers, Mrs. Lemmink explained that the materials are furnished free to the veterans by the American Legion Auxiliary. Volunteer workers teach the disabled men to make the poppies. The entire poppy program, from the supplying of the poppy materials to the distribution of the finished flowers to the American public, is under the management of the Auxiliary.

"The veterans and their dependents are the ones who benefit from our poppy sale," she said, "not only from the money that results from selling poppies, but also from having something tangible to do instead of having to rest, read or talk. These men in the government hospitals are delighted to keep their fingers busy and their minds occupied with the intricacies of fashioning the poppies. Needy wives and children also reap benefit from the sale of the flowers."

"We have been selling these Memorial Day flowers for twenty-four years and each year the poppy becomes more closely identified with the American Legion Auxiliary and with our disabled men. We hope the service will continue indefinitely."

Husband Admits Slaying Spouse

CHICAGO, May 10 (UP)—Soylo Villegas, 26, was held by Crystal City, Tex., police today pending extradition proceedings following his confession that he killed his 23-year-old bride of three weeks during a drunken quarrel in the couple's Chicago apartment and shipped her semi-nude body to Los Angeles in a trunk.

The victim in the 13-day-old mystery was identified through fingerprints by the federal bureau of investigation Monday as Miss Louise Christine Wright, a native of Myrtle, Miss.

Police said she married Villegas in Chicago under the name of Miss Louise Alexander, although he already had a wife, Rosa Reyes, and a seven-year-old daughter living in Crystal City.

The victim also was married at the time, according to reports received here from Memphis, Tenn. Joel Wiley of Memphis said he recognized the slain woman as his wife from photographs which appeared in yesterday's newspapers. He said they were married June 20, 1936, and that she and their two daughters left him in April, 1941. There was a reconciliation, later, he said, and then she left him again in July, 1942, with the two daughters going to the home of his sister to live. Wiley said he had seen her only once since then—when she worked as a waitress in a Memphis lunchroom. He did not know when she left Memphis for Chicago.

Villegas' arrest in the little Texas town about 30 miles from the Mexican border climaxed a 16-hour search which led always toward his native Mexico, after photographs established that he was the "John Lopez" who sent the trunk by railway express.

He was seized at the home of his mother, Mrs. Tetra Villegas, and according to deputy sheriff Garrett Barnes, he offered no resistance.

On the contrary, Barnes said, Villegas seemed unaware of the enormity of his crime and expressed the idea that "the officers might be willing to forget all about 'this thing' and let him join the army."

Walter Storms, chief of detectives Chicago, indicated that he would seek the return of Villegas for trial at the earliest possible date.

JAPS REPULSED

ADVANCED ALLIED HEAD-QUARTERS, KANDY, Ceylon, May 10.—(UP)—Allied troops repulsed two Japanese tank-supported counter-attacks in a resumption of heavy fighting in the Pale area, southeast of Imphal, it was disclosed today as RAF medium bombers hit Moirang, 25 miles southwest of the capital, for the second consecutive day.

The Japanese were reported to have suffered heavy losses as the allied forces shattered the attempted thrusts, aimed at retaking positions

recently captured in the allied drive toward the Burmese border.

Allied losses were listed as light, compared with the Japanese casualties—a contrast which has occurred in most of the fighting in this theater.
